Leisure Homes

The Topaz is an attractive and affordable family holiday home which exudes quality and durability. Popular with families with children, it provides all the essential requirements for a holiday home, combining practicality with style. With standard double glazed windows and fully insulated walls and roof, it can also be enjoyed whatever the weather. This model has been revamped for 2021 and offers a range of attractive features, with a vaulted living room ceiling and three large windows which let the outside in and fill the living area with natural light. It is furnished with comfortable seating, and an electric fire enclosed in a cabinet which can also be used as a base for a television. The Topaz has been designed to offer comfortable open plan living, so families can still spend time together and chat whether they're relaxing, eating in the dining area, or cooking. The kitchen is fitted with a 600mm built-in cooker, stainless steel sink, and a range of wall and floor units, with eye-level shelf space for a microwave. There is an extractor fan with light, plenty of worktop space for preparing food. Bedrooms all have fitted furniture as standard, and quality fabrics are used in the curtains and bedding, giving them a homely and welcoming feel. The family bathroom is well-proportioned and well-designed, with contemporary white sanitary ware and a thermostatic shower. The Topaz even comes as standard with PVC cladding finish on the outside, as shown in optional light grey, standard being cream PVC cladding. The Topaz continues to represent affordable family living in great style. Model shown 35' x 12' 2 bedroom.

The Opale Range

Totally remodeled for 2021

arronbrook
Leisure Homes

Available in 3 sizes, the Opale is updated for 2021. With its closed lounge design in the 36ft model, it is perfect for those that want peace and quiet whilst being able to switch off from the outside world. The optional French doors add more light and the feeling of spaciousness. With the potential to be another Arronbrook classic, the Opale, with its well appointed kitchen which includes a fridge and integrated microwave (separate fridge/freezer optional) it is perfect for those that demand better than standard. As with all Arronbrook homes, double glazing and uPVC cladding is standard, as are the stylish lounge sofas with attractive furniture. A massive benefit of a closed lounge design is a separate dining area which creates a more pleasurable experience when eating at the large dining table. Quality craftsmanship, ergonomic and practical design and home from home comforts combine to give you and your family a warm, welcoming and versatile holiday home that's anything but ordinary. The model shown is in UPVC pale gold cladding and optional graphite windows and doors, 36' x 12' 2 bedroom.

Leisure Homes

New for 2021, the innovative and luxurious Scenic sets itself apart from other leisure homes by its number of superb design features, like the optional sliding front door windows and spacious walk-in wardrobe. With quality kitchen features like the integrated fridge and microwave, and sumptuously appointed bedrooms with upholstered headboards, our brand new Scenic model is a fantastic addition to the Arronbrook model range. Included as standard is double glazing, uPVC exterior cladding, luxury divan beds, quality bathroom fixtures and designer kitchen appliances. The 2 bedroom Scenic also benefits from having an en-suite toilet for the main bedroom. The generous amount of room on offer in the 12' 6" wide Scenic is a big plus too which helps create a relaxing environment which you'll want to enjoy time and time again. We are very sure you'll agree that our new Scenic, with its open plan living space, boasting contemporary furniture in rich tones and lavish curtain and upholstery fabrics is a leisure home that provides a luxury escape. Model shown is in white PVC cladding and optional Irish Oak effect windows and doors, 38' x 12'6, 2 bedroom.
