BS 3632 Residential Specification

New for 2024 our Cranleigh Lodge, Artisan Lodge and Charmouth (14' models) come with BS 3632 residential specification as standard. These BS 3632 models bring you:

- Thicker residential standard walls
- Upgraded residential insulation in the floor, walls and roof meeting required 'u' values
- Greater sound reduction through the external construction to meet required sound reduction values
- Low-E glazing throughout
- Some of the best energy efficiency ratings in the industry
- Residential levels of ventilation with hidden eaves keeping your home properly ventilated
- Full condensing boiler gas central heating

All this, giving you greater levels of comfort, keeping you warmer in the winter, cooler in the summer and reducing energy costs.
